

Extend track voting mechanism to support ad-hoc consultations

Mark Reardon, 23/8/18

Request

Implement a mechanism by which the membership can be consulted on various topics, initially Europe (see

<https://drive.google.com/open?id=1gdDoEXcTnXK7MflGFtBkoDp9oMO54u5QpfzbnnN97ql>).

Changes required (3 days)

- Create ad hoc consultation mechanism based on democracy review's track voting code, with a new top-level area on the site called Consultations (2 days)
- Allow multiple choices per question (checkboxes) as well as single choice (radio button) – needed for question 8 in Europe consultation (½ day)
- Implement Europe consultation (½ day)

Later enhancements

- Option to present the questions in pages to be mobile friendly (½ day)
